## **Policy on Rural and Remote Medical Education Online module requirements**

---

### **1. Purpose**

This purpose of this policy is to outline the ACRRM requirements for Rural and Remote Medical Education Online (RRMEO) module completion as a requirement for training towards a FACRRM.

### **2. Related documentation**

This policy should be read with reference to the following related documents:

- Policy on Completion of Training

### **3. Policy**

3.1 Registrars are required to complete at least four RRMEO modules meeting the requirements below as a completion of training requirement for FACRRM.

- RRMEO modules must be approved by ACRRM as suitable for training; these are marked on RRMEO Educational Inventory with a green flag.
- Participation in Telederm and Radiology online can count towards module requirements:
  - Telederm (5 cases submitted to Telederm, or 10 cases with MCQs completed equivalent to one module)
  - Radiology online (set of 10 cases with MCQs completed equivalent to one module).
