

EXPERIENCE OUR EDUCATIONAL VISITS...

...VIRTUALLY ANYWHERE

We know it's not always easy to fit educational visits into your busy schedule. But there's no need to miss out.

Now NPS MedicineWise gives you the option to participate in our independent, evidence-based educational visits virtually – at a time and place that's convenient for you.

How do virtual educational visits work?

1

Request virtual educational visit via web or with your Clinical Services Specialist

2

We provide you with the educational materials to be covered in the virtual educational visit

3

Participate in 30-minute virtual educational visit via Skype or Skype for Business*

4

Receive your participation certificate confirming RACGP or ACRRM CPD points

*Assistance with setting up Skype or Skype for Business can be provided.

Our educational visits just got more flexible

To request a virtual educational visit or find out more contact your NPS MedicineWise Clinical Services Specialist or our Program Engagement Team on:

 **(02) 8217 8700**

or

@bookavisit@nps.org.au

Independent, not-for-profit and evidence-based, NPS MedicineWise enables better decisions about medicines and medical tests. This program is funded by the Australian Government Department of Health.
