## ACRRM Supervisor Summit 2026

Novotel Melbourne Preston  
Victoria

Date: 12–14 August 2026

### About ACRRM Supervisor Summit 2026

The Supervisor Summit is Australian College of Rural and Remote Medicine's flagship annual event designed by Supervisors for Supervisors. The carefully constructed education program is designed to equip our supervisors with the skillset to facilitate the training of our future Rural Generalists within a rural/remote setting.

We're coordinating a rich tapestry of networking opportunities within the framework of a highly interactive educational environment. This annual event is designed to celebrate the supervisor whilst delivering evidence-based strategies to manage the complexities associated with the role.

### Why Partner with Us?

- Connect directly with up to 150 Rural Generalist Supervisors and key healthcare decision-makers from across rural and remote Australia.
- Position your organisation alongside ACRRM's flagship supervisor event and demonstrate your commitment to strengthening the rural health workforce.
- Showcase your products, services or initiatives to a highly engaged audience dedicated to education, innovation and improving patient outcomes.
- Build valuable relationships through interactive networking opportunities with clinicians, training leaders, health services and sector stakeholders.
- Gain targeted brand exposure before, during and after the event through event marketing, onsite visibility and delegate engagement opportunities.
